Flexibility is the Key to a Successful *Father's Day*

Your *Father's Day* doesn't have to happen on June 16th; it doesn't even need to be confined to one day. Last year, the Housing Authority of New Orleans held two of its *Father's Day* events during the week: a spaghetti dinner on a Tuesday and a wellness class on a Thursday. Similarly, the City of Phoenix Housing Authority held their Fun in the Sun event a week before the scheduled HUD *Father's Day* celebration. There is no one way to do *Father's Day*. As long as you are bringing together families and helping dads connect with services you are doing *Father's Day* right.
